I have excellent interpersonal skills: A quality that has increased my ability to meet the needs of clients. Furthermore, my meticulous attention to detail and natural curiosity are my skill enabler to analyze complicated systems and develop simplified solutions. Thanks to my proficiency in programming languages like Java, JavaScript, and PHP, I am able to create and deploy effective software programs as an aspiring Software Engineer.

EDUCATION BACKGROUND

SEP 2020 – DEC 2024
BSC. COMPUTER SCIENCE,
Technical University of Mombasa

FEB 2016 – DEC 2019
KENYA CERTIFICATE OF SECONDARY EDUCATION,
